

**INDUSTRIAL
TECHNOLOGIES**

Sales, Engineering and Support For
Filtration and Processing of Liquid, Air & Gas

Faber Industrial Technologies – Your complete source for quality filtration & process equipment with unparalleled service, support and engineering. Specializing in liquid, gas, air, HVAC and dust collection. Local inventory for immediate delivery.

Graver Technologies

Graver Liquid Process

- Melt Blown Depth Filters
- Pleated Filters
- Membrane Filters
- High Flow Filters
- All PTFE Filters
- Sintered Metal Elements
- Resin Bonded Filters
- Stacked Disc Filters
- Industrial & Sanitary Filter Housings

Graver Air & Gas

- Membrane Filters
- OEM Custom Designed Filters
- HEPA Filters
- Gas Turbine Intake Prefilters
- Compressed Air & Gas Filters
- Vacuum Exhaust Filters
- Vacuum Filters
- Air Intake Filters
- Air & Gas Housings

**GE Power & Water
Water & Process Technologies**

- Hytrex, Purtrex, Selex Depth Filters
- RO Save, WellPro Cartridge Filters
- Flotrex Pleated Microfiber Filters
- XPLEAT Pleated Filters
- Memtrex Membrane Filters
- High Flow Cartridge Depth Filters
- High Flow Filter Housings

- Filter Cartridges
- UF, NF, RO Filtration
- Spiral Wound Membranes
- Reverse Osmosis Systems
- Waste Water Treatment
- Boiler Water Treatment
- Centrifugal Pumps & Housings

Gusmer Enterprises, Inc.®

- Filter Sheet Media
- Stack Filter Media
- Carbon Filter Media
- Cartridge Filtration
- Fiber Filter Aids

- Filter Paper
- Filter Housings
- Oak Products
- Plate and Frame Filter Press
- Laboratory & Analytical Products

UNIVERSAL FILTERS, INC.

- Liquid Filter Bags
- High Efficiency Filter Bags
- Oil Removal Filter Bags
- FDA Approved Media
- Felt, Multifilament Mesh, Monofilament Mesh

- Custom Filter Bags
- OEM Replacement Filter Bags
- All Industry Standard Sizes
- Vorti Sieve Screens
- Polyester, Polypropylene, Nylon, Nomex, Teflon Media

Powering Business Worldwide

- Filter Bags
- Cartridge Filters
- Bag Filter Housings
- Cartridge Filter Housings
- Portable Filtration

- Simplex Basket Strainers
- Duplex Basket Strainers
- Y-Strainers
- Automatic Self Cleaning Filters
- Custom Filter Housing Systems

1111 Paulison Ave • Clifton, NJ 07011

- Filter Bags
- Single & Multi Filter Bag Housings
- Replacement Baskets
- Bag Sized Cartridge Filters
- Bag to Cartridge Housing Converters

- Cartridge Filters
- Single & Multi Cartridge Filter Housings
- Sanitary Housings
- Application Specific Housings
- Standard & Custom Filtration Systems

- Polypropylene Cartridge Filters
- Micro Fiberglass Cartridge Filters
- Carbon Block Cartridge Filters
- 'Giant' Filter Bags & Cartridge Filters

- Custom Pleated Cartridges
- Polypropylene & Nylon Housings
- Stainless Steel Cartridge Housings
- 'Giant' Bag & Cartridge Filter Housings

- String Wound Cartridge Filters
- Melt Blown Cartridge Filters
- Pleated Cartridge Filters

- Carbon Cartridge Filters
- 'Big Blue' Diameter Cartridges
- All Standard Lengths and Sizes

- Poroplate Sintered Elements
- Poromesh Sintered Elements
- Porofelt Sintered Elements
- Porous Metal Filters
- Backwashable Filters

- Metaledge Filters
- Microfil Filter Media
- Micropleat Filter Media
- High Temperature Applications
- From Low to High Pressure Operations

- Tubular Membrane Filters
- Radial Cartridge Filters
- MacroFlow PTFE Cartridge Filters
- Backwashable Filters

- PTFE Membrane Sheets
- Pneumatic Filters
- Pneumatic Silencers
- Plastic Housings

- OEM Replacement Filters
- Hydraulic Cartridge Filters
- Pleated Paper Cartridge Filters
- Microglass Cartridge Filters
- Synthetic Cartridge Filters

- Water Absorbent Cartridge Filters
- Oil Separator Filters
- Compressor Lube Filters
- EDM Machine Filters
- Custom Engineered Filters

- Dominic Hunter Process Filtration
- Fulflo® Bag & Cartridge Filters
- Membrane & Microfiltration
- Standard & Custom housings

- Finite Filter
- Gas Filters & Coalescer
- Compressed Air Filters & Separators
- Mist Eliminators

- Porous Metal Filters
- Gas & Liquid Filtration
- OEM Replacement Filters
- Custom Manufactured Filters
- Low to High Temperature Operations
- Low to High Pressure Applications

- Chemical/Petrochemical Processing
- Refinery
- Electronics
- Pollution Control/Monitoring
- Food & Beverage
- Power Generation

- Sand Media Filters
- Multi-Media Filters
- Activated Carbon Filters
- Specialty Media

- Automatic Clean Screen Filters
- Centrifugal Separators
- Basket Strainers
- Controllers & Valves

- Cartridge Filter Housings
- Bag Filter Housings
- Industrial & Sanitary Applications
- Strainer Housings

- Custom Filter Housings
- Tanks
- Housing & Tank Accessories
- Custom Filtration Systems

- Single-Round Cartridge Housings
- Multi-Round Cartridge Housings
- Single-Round Bag Housings
- Multi-Round Bag Housings

- Sanitary & Industrial Applications
- Custom Housings
- Industrial Basket Strainers
- Housing Accessories

- Sanitary Designed Products
- L-Strainers
- Y-Strainers
- Check Valves
- Pressure Relief Valves

- Butterfly Valves
- Pumps
- Sight Glasses
- Bubble Traps
- Custom Engineered Solutions

- HVAC Filters
- HEPA Filters
- High Efficiency Rigid Filters
- Pleated Panel Filters
- Multi-Sak Filters

- OEM Replacement Filters
- Internally Supported Filters
- Carbon Filters
- Automatic Roll Filters
- Paint Spray Booth Filters

- Dust Collector Cartridges & Bags
- HEPA Filters
- FDA Compliant Filter Cartridges
- Pleated Bag Filters
- Oval Cartridge Filters
- Specialty Cartridges
- Conical Cartridges
- Fabric Dust Filters
- Compact Filter Elements
- OEM Replacement Filters
- Custom Filters
- Dust Collection Systems

- Heat Exchangers
- Shell & Tube Heat Exchangers
- Immersion Coils
- Reactor Coils

- Fluoropolymer Tubing
- FEP, PTFE, PFA, Q-Series
- High Purity Products
- Containment Tubing

- Fluoropolymer Hoses
- Metal Hoses
- Rubber Hoses
- Silicone Hoses
- Thermoplastic Elastomer Lined Hoses

- Custom Hose Design
- Permanent Crimp Fittings
- Fluoropolymer Fittings
- Reusable Fittings
- Smooth Bore & Convuluted Liners

- Stainless Steel Process Equipment
- Sanitary Valves, Actuators & Pumps
- Pump Dolly/Pump Cart
- Fitting & Clamps
- Gauges & Sight Glasses

- Inline Strainers
- Tubing & Spool Pieces
- Flexible Hoses
- Biopharm Products
- Custom Specialties

- Filters
- Strainers
- Fittings & Valves

- Pumps
- Heat Exchangers
- Dispersion Equipment

- Chemical & Water Storage Tanks
- Open Top Tanks
- Bulk Storage Tanks

- Custom Tank Manufacturing
- Spill Containment & Control
- Tank Fittings & Accessories

Faber Industrial Technologies also offers a wide range of motion control and process / heating control products. Faber is more than just a leading supplier of quality products; we also provide engineering support as well as a broad range of value added services to give you a complete application solution.
