

**INDUSTRIAL  
TECHNOLOGIES**

Sales, Engineering and Support For  
All Your Heating System Needs

**CHROMALOX**  
Advanced Thermal Technologies

- **Electric Heat Trace**  
Self Regulating  
Pipe Tracing  
Freeze Protection  
Process Maintenance  
Snow Melting, Gutter Deicing  
Constant Watt, M.I. Cable
- **Control Panels (U.L.)**  
Temperature Control Panels  
Solid State Control Panels
- **Strip Heaters**  
Mica, Finned

- **Comfort Heaters**  
Unit, Radiant, Convection  
Explosion Proof
- **Process Immersion Heaters**  
Screw Plug, Flange  
Over the side, Teflon
- **Cartridge Heaters**  
Hi/Low Watt Density
- **Heat Transfer System**  
Hot Oil, Hot Water, Steam
- **Fluid/Air Heaters**  
Duct, Circulation

- **Power Controls**  
Solid State Relays  
SCR, Zero Crossover  
Phase Angle
- **Analog/Digital Controls**  
Temperature/Process  
Ramp/Soak  
Custom OEM Boards
- **Flexible Heaters**  
Silicone Rubber  
Etched Foil
- **Tubular Heaters**

**Eurotherm**

- **Recorders**  
Digital Chart Recorders
- **Power Controls**  
SSR, SCR, Zero  
Crossover/Phase Angle

- **Process Controllers**
- **DIN Controllers**
- **Nanodac Controllers**
- **Panel Meters, Indicators**

**pyromation** inc.  
beyond measure

- **Thermocouples (T/C Sensors)**
- **RTD's, Thermistors**
- **Heat Trace Sensors**
- **Sanitary Sensors**

- **Plastics, Rubber & Packaging T/C's**
- **Thermowells, Connecting Heads**
- **Transmitters**
- **T/C Wire, Plugs & Jacks**

**CARLO GAVAZZI**  
**Sense**  
**Switch**  
**Control**  
**Fieldbus**

- **Solid State Relays**
- **Contactors**
- **Motor Starters**

- **Power Supplies**
- **Capacitive Sensors**
- **Limit Switches**

**PROCESS SENSORS**  
CORPORATION

- **Infrared Sensors**
- **Portable IR Thermometer**

- **Infrared Temperature Products**
- **Thermal Imaging Products**

**VITALink**  
Circuit Integrity Cable

- **Two Hour Fire Rated MC**
- **Two Hour Fire Rated CI**

- **UL2196 Approved**

**QUANTEM**  
CORPORATION

- **Temperature Probes**
- **Digital Temperature Controls**

- **Custom OEM Controls & PCB**

**Fenwal**

- **Thermostats**

- **Detect-A-Fire Switches**

**GRIEVE**

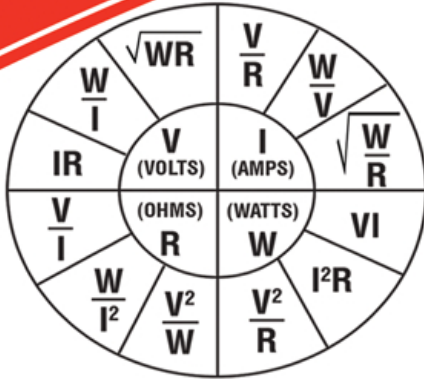

- **Industrial Electric/Gas Oven**
- **Pharmaceutical Ovens**
- **Class A Ovens**

- **High Temperature Furnaces**
- **Inert Atmosphere**
- **Conveyor Ovens**

Providing Application Engineering Solutions For Process Heating & Controls For More Than 70 Years!

### Heat Output Change Due to Voltage Change

$$\text{Actual Wattage} = \text{Rated Wattage} \times \frac{(\text{Applied Voltage})^2}{(\text{Rated Voltage})^2}$$

#### Engineering

Technical Questions on Product Applications? Call Faber  
 CAD Capabilities  
 Have a Control Problem? Our Sales Field Engineers will Visit

#### Local Stock

Largest Inventory of Industrial Heaters in the Tri-State Area  
 All Accessories (i.e: Hi-Temp Wire, Terminals, Tape In Stock)

Baseboard / Wall Heaters  
 Unit / Cabinet Heaters

Marley • QMark • Berko

Convectors  
 Thermostats & Controls
